**Want a career  
that will set you up for life?**

We all know WATER IS VITAL.

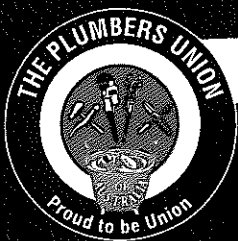

Drinking, storage, recycling, piping.

Plumbers go with water; so plumbing is crucial for the environment and the sustainability of the future

If you are a female you can be a part of this exciting program and environmentally responsible career.

Plus you can earn \$\$\$ immediately and avoid HECS fees!!!

With 20 apprentice positions being sponsored over 2007 and 2008 in the Brisbane area, the Plumbers' Union has the answer FOR YOU!
